A law passed by the last session of the State Legislature requires the Supervisory Union to prepare a budget for the Superintendent's salary and travel, the nurse's salary, the clerk's salary, and other Union expenses. This budget is charged to each District according to the valuation of the District and the number of pupils attending school. In Albany the charge is based on the assessed valuation and no charge is made on the number of pupils as there is no school in the district.

The work and cooperation of you as a School Board is sincerely appreciated.

Respectfully submitted,

HAMMOND YOUNG
